The next few weeks are action packed!

Keep an eye on both the calendar and the School App... in the busy life of schools things can change for many different reasons. We will let you know about any changes through our School App.

We have a community survey coming to you electronically on the 29th of November. We really encourage you to fill this out as it does help drive our direction as a school.

Last call for enrolment of your pre-schoolers for next year. We have only 5 spaces left! We cannot go over our capped role of 260 students.

Have a great week!

The JLC were part of the Outdoor Classroom Campaign. This is a global campaign to celebrate and inspire outdoor learning and play. This year the campaign involved 25,066 schools world wide - with St Mary's being the only one from Whanganui!!

The day started with an adventure to the St Josph's Wetlands as part of our topic. We collected rubbish along the streets and around the wetland before returning to school to sort and discuss how we helped our local community by keeping it litter free. The middle part of the day we took our reading programme and topic work out under the big tree, then in the afternoon we had a fun time with some PE equipment and STEM learning in the sandpit building ramps and tunnels.

One of the goals of Outdoor Classroom day is to engage learning. The discussions that took place during this day were invaluable with all students engaged in the activities and going by the photos, they all had an awesome day.

# COURAGE

## Māia

Be on your guard; stand firm in the faith; be people of courage, be strong (1 Chron 16:13)

What  
we  
do

In Term 4 we are focusing on the Gospel Value of **Courage**.

**We would love you to take the time to talk** about and reinforce each aspect of our ICIC Gospel Values with your child.

This week we look at **Independence**... there are 5 skills that we can work towards.

## Independence

Say goodbye to Mum and Dad in the morning.

Deliver messages to other classrooms.

Go on class or school days out.

Stay overnight away from parents.

Be the first in a group to start something new.

Reminder!

Dental visits Free! Ages 0 to 17

# WE ARE COLLECTING BREAD TAGS FOR SOUTH AFRICA

These bread tags are bought by a recycling company and the money is used to buy wheelchairs for the needy in South Africa.

This is our service teams international focus. We are wanting to start the collecting here and encourage every school to take up the call. So get all your family members on board. It stops them from getting in our landfills and helps keep NZ clean too!

# Wanganui Harrier Club

We all want our kids to lead happy, healthy lives, and we know that keeping fit is pivotal to this. At Wanganui Harrier Club, we want to encourage everyone to experience the enjoyment of exercising through running or walking.

In order to help us achieve this goal, we would like to introduce our 'Wanganui Harrier Club Kids Marathon' programme.

This programme requires children to run/walk an accumulated total of 41km anytime from 1 September to 13 December, 2019. Children can run/walk 500m or 1000m (1km) per session. Then, on Saturday 14 December, children compete in the McDonald's 1.2km Fun-Run-Athon at the Pak'nSave Whanganui 3 Bridges Marathon, thus completing their own 42.2km marathon. Each child who completes the programme will receive their own Kids Marathon medal.

This programme is open to all children aged 13 and under. The only cost involved is the \$5 race entry fee.

If you would like to sign your school up for the 'Wanganui Harrier Club Kids Marathon' or would like to know more about it, please contact Margaret on [wanganuiharrierclub@gmail.com](mailto:wanganuiharrierclub@gmail.com)

Enclosed is a WHC Kids Marathon Progress Chart. Please photocopy these and give them out to any interested students.
