Kia ora koutou

As you are aware this week has been extremely sad and tough for us.

**Mel Hawtree** has a long history with St Mary's School. Firstly as a parent and a tireless PTA member then as a staff member and a Board of Trustees Member.

She is family and will be extremely missed.

Mel was best known to our community as the painter of rocks. She had a gift in producing these and they were always made to help raise money for good causes. You will have seen some of these coming home in prayer bags.

Thank you for your messages of support and generosity in helping us out on Monday so that we can attend her funeral. It is so appreciated.

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

## We need your help...

We have a lot of bugs floating around and they are spreading rapidly.

If your child is unwell with coughs, sore throats, vomiting or has diarrhoea you are required to keep your child at home and remain at home until **48 hours after** all symptoms have stopped.

This is vital to contain the spread of bugs.

Please remember to put their absence in the school app.

## *Gospel Values—I.C.I.C.*

### **NGĀKAU PONO—INTEGRITY**

*People with integrity walk safely, but those who follow crooked paths will slip and fall. (Prov 10:9)*

In the Old Testament, the Hebrew word translated “integrity” means “the condition of being without blemish, completeness, perfection, sincerity, soundness, uprightness, wholeness.” Integrity in the New Testament means “honesty and adherence to a pattern of good works.” Jesus is the perfect example of a man of integrity. After He was baptized, He went into the wilderness to fast for forty days and nights, during which time Satan came to Him at His weakest to try to break His integrity and corrupt Him. Jesus was wholly man and wholly God at the same time, and He was tempted in every way we are, yet He never sinned (Hebrews 4:15); that is the definition of integrity. Jesus is the only one who was ever without blemish, perfect, completely truthful, and always showing a pattern of good works.

### **LITURGICAL YEAR—Week 3**

**What is a Catholic Feast Day?** The Catholic Church assigns one date out of the year for each canonized saint—known as the saint’s feast day. The saints are remembered on their individual feast days with special mention, prayers and possibly a scripture reading.

This coming Sunday is the **Feast of the Assumption of the Blessed Virgin Mary**, Aotearoa’s National Patronal Feast Day. It is a holy day of obligation when the Church celebrates Mary being taken to Heaven, body and soul to share in the Resurrection of her Son and anticipation of the resurrection of other Christians.

This year we are going to be supporting a Catholic led initiative that helps to feed families over the Christmas period. It is always a time that puts financial pressure on families, so lets do something to help.

What would be a special canned item that might be able to help a family over the Christmas season?

We will be collecting cans up to the 10th September. Please drop them off to the school office or Room 8.

Thank you for your support.

### **Taonga Puoro**

**Whaea Jess finished off sharing her amazing knowledge of our stunning Māori Musical Instruments this week. Ngā mihi nui ki a koe mo tō mātāuranga me tō wairua Jess.**

**Well done to all our students who have had fun, listened and learned.**

We had our annual rail safety visit this week. This is such important learning for our students. Many of our children cross the railway tracks daily.

It was particularly awesome as this year the train stopped and the drivers got out and high fived the kids.

Elijah is very proud of his high five and stated he was never going to wash that hand!

**On the last weekend of the school holiday Jasmine Lawton (Room 5) competed in her 1st Rock n Roll competition.**

**Jasmine placed 3rd in Best Dressed and 2nd in overs and unders with her Uncle Wilson .**

**Well done Jasmine**

**We would love to celebrate out of school achievements!  
If you would like us to include your child in our newsletter

## Professional Learning and Development opportunities Term 3 2021

### Introducing and responding to children with Attention Deficit/Hyperactivity Disorder

The ADHD workshop was developed to support teachers and parents in understanding the etiology of ADHD, and how to respond to our children in the home and/or classroom environment. Participants will also be given the chance to discuss the process for ADHD diagnosis, including next steps following a diagnosis.

The workshop aims to provide the following:

- A clear understanding around the characteristics of ADHD and what is occurring at the neurological level.
- A link between the neurological underpinnings of ADHD and the strategies we are using in the classroom or at home
- Next steps following a diagnosis.
