Welcome back!

We hope you have all had a wonderful summer break.

Welcome to our brand new students and their whanau. Please jump in boots and all. If there is anything you are unsure of please ask. We have an amazing community who are looking forward to getting to know you.

A few changes:

- We have had some additions to our bird family! Over summer we had 3 canaries hatch. They have thrived and are now flying happily around the aviary. Like our community it was wonderful to see all the birds take turns feeding the baby birds.
- We have added a sandpit! We now have two side by side and I know this will be well used. Many thanks to the Hawtree family for the building of this.
- You will notice that our school driveway gates will be closed during the day. We have decided it is time to keep them closed for added student safety.
- Welcome back Mrs Couper! You have been missed and we are so pleased to have you back with us.

God Bless

Jacqui Luxton

## Hat time!

We have a no hat no play policy! Our sun is fierce! Children without hats sit in the shade. They can read and chat but the goal is to have all children out playing. Please ensure your child has their hat at school every day.

We also need those hats named please. White twink works well as does black vivid marker.

All students are required to wear these at break times.
