Short and sweet this week!
Wishing you all good health and warmth!

We need your help...

We have a lot of bugs floating around and they are spreading.

How can I prevent other people getting a cold?

It's important not to spread your cold virus to other people.

You can do this by:

- turning away from others and using tissues when you cough or sneeze
- washing your hands after coughing, sneezing or blowing your nose
- washing your hands often and especially before touching food, dishes, glasses and cutlery
- not sharing food or eating utensils with others
- avoiding close contact with others for the first 2–4 days.

If your child vomits or has diarrhoea you are required to keep your child home **48 hours after** all symptoms have stopped.

This is vital to contain the spread of the bug.

Don't forget to use the absence section on our app to let us know if you are keeping your child home.

COURTESY

Whakaaro atawhai

"to speak evil of no one, to avoid quarrelling, to be gentle, and to show perfect courtesy toward all people." (Titus 3:2)

In Term 2 we are focusing on the Gospel Value of **Courtesy**.

We would love you to take the time to talk about and reinforce each aspect of our ICIC Gospel Values with your child.

This week we look at **Patience**... there are 4 skills that we can work towards.

Patience

Waiting to take my turn
Sensibly entering and exiting situations
Respecting people's conversations
Show patience until the time is right to act

You are warmly invited
to attend the
Cullinane College
Open Evening

June 27th beginning
at 6.30pm in the
College's Performing
Arts Centre
