## Classes for next year

Your child brought home their report on yesterday.

Please take the time to read through these with your child and **talk about the positives but also get them to reflect on their next steps.**

Your next years teacher was on the report. **We ask that you trust our placement of your child.** We don't randomly divide and place students - we put a lot of planning into each years class lists. We are looking at the whole picture and have your child's best interests at heart. Because of this planning it is not a simple flick of a student.

Important dates coming up...

- **Term 1 First Day - 3rd of February: 9am.**
- **Waitangi Day - 6th of February: School closed.**
- **School Twilight Gala - 5th of March**

You may be aware that schools will be using more Staff Only Days from next year. These are used for staff to access professional Development and assist with work load demands. In 2020 we are accessing professional development from an expert from the UK. We are also joining a Whanganui wide community of learning. The Teacher only days for this professional development will be:

- **Teacher Only Day - 3rd of August**
- **Teacher Only Day - 3rd and 4th of September**
